Dear CLCA Member,

Greetings and a warm sincere thank you to all who have contributed to the success of our CLCA Orange County Chapter. 2011 was a great year for the Chapter, primarily due to the great events that were offered and the participation of our generous Sponsor Partners and supportive Chapter members.

We are once again offering our Chapter members the Orange County Champions Program. We're happy to announce that there will be no changes to this year's program, except that we are offering our Platinum and Gold level Champions a 10% discount on advertising in our *OC Vision* magazine. The OC Champions Program covers your expense for attendance to all general meetings throughout the year and, from there, you can use your "Flex Points" to select the events you're most interested in participating in.

Registration and payment MUST be received by Friday, December 16, 2011. We are having a Chapter traveling banner made and if payment is late it will delay the display of your name on the banner. Wed., Jan. 11, 2012 is the New Year Round Table Kick-Off meeting where we will be assigning committee memberships. Avoid having to pay for lunch that day and have your payment in early.

Please keep in mind that the level of participation in which you choose to invest will enhance your enjoyment and the benefit you receive from actively supporting the Chapter. We would like to encourage you to take the time and attend the monthly meetings where we have a myriad of topics that will help you in your business. So come, listen, learn and share your ideas.

Also, please make certain we have a color copy of your logo in .eps version if possible, .jpg works too but is not as flexible. You can email it to me at omontano@oakcreek-ins.com.

Sincerely,
Oscar Montano
